

# CULTURE VIEW

Culture View is a great extra video and cultural supplement to **New Inspiration!**

Culture View consists of two DVD packs. Each pack contains a **DVD** and a **CD-ROM**.

Each **DVD** covers six different topic areas with a **documentary** and a **drama sketch** for each topic. The documentaries contain up-to-date cultural information about life in Britain whereas the drama sketches highlight everyday situations and the use of functional language.

Each accompanying **CD-ROM** provides photocopiable worksheets for all the DVD material. These are worksheets at two levels – **Standard** and **Higher** – so that the videos can be used with mixed-ability classes. The Worksheets include Before, While and After you watch activities, role-play activities and research projects
