Every summer there are sandcastle contests at the beach in my town. It's always very hot and sunny. This year people are building very big sandcastles. Sandcastles aren't just for kids. Adults like to build things with sand, too. It's a great day for the whole family!

Artists use sand and water to make the sandcastles. They walk to the ocean to get water. Then they use the water to make the sand hard. Artists use tools to draw in the sand. They are very careful.

Look at the dragon. Is he sleeping? Yes, he is.

There is also a sandcastle with an elephant, and one with a shark. It takes a long time to build these beautiful sandcastles.
